AED FOUNDATION

Constructing Pathways I Growing Opportunities

HIGH SCHOOL IMPROVEMENT FUND

The AED Foundation is launching a new **grant program** to support AEDF Recognized High School programs with funding for **equipment, materials, and supplies**—made possible through a gift from Caterpillar Inc.—that enhance hands-on training and student success.

Apply for Up to $10,000

- Open To AED Foundation Recognized High Schools
- Up To $10,000
- Rolling Applications Thru 2026
- Funds Must Be Used For Equipment, Materials & Supplies

What We're Looking For

- Clear Impact On Student Learning & Workforce Readiness
- Meaningful Program Improvements
- Strong Alignment With Hands-On Training Needs

Strengthen Your Program. Support Your Students.

This funding is designed to help you **enhance your classroom**, **expand opportunities** and **better prepare students** for careers in the equipment industry.
